Dubstep Puffle

Background:

Some say Dubstep Puffle used to be an ordinary black puffle, but one day he found a magic pair of headphones. Others say he came from the Dubstep Dimension, wherever that is. One thing's for sure... He loves bobbing up and down to dubstep music.

Personality:

Dubstep Puffle is mysterious, serious and cool. Even if he is flying through the air in a cardboard box, or being splatted with a large piece of tropical fruit, he still looks cool. And serious. And mysterious.

Likes:

Bobbing up and down to dubstep music, while looking serious and cool. Tacos.

Banjo music. Being told what to do.

DO SAY:

Dubstep
beatz r
sweeeet!

DON'T SAY:

What's a
dubstep?

Dubstep Style

Dubstep Puffle is so cool, some penguins try to get his style by wearing T-shirts and headphones like these.

But Dubstep style is not about how you look, it's a state of mind. You've just got to bob up and down and be mysterious, serious and cool. That is all!

RooYiepedia

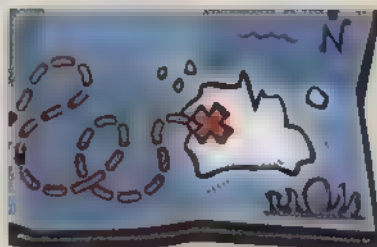

Welcome to the final instalment
of Rookie's guide to CP!

That's all,
folks!

X · Y & Z are for...

X Marks the Spot

I asked Rockhopper if X really marks the spot, but he said 'R'. Which is really confusing.

X-Ray Machine

Open up a hospital in your own iggy with these machines! Also doubles as a spooky Halloween ornament.

X-treme Penguin

This penguin is so X-treme, he sleeps with his Jet Pack on and eats hot sauce-filled donuts. Maybe. We really don't know.

Planet Y

Planet Y is the distant home of two aliens called Quip and Qua. Meet them by checking out the Stage play called Space Adventure Planet Y.

Yarr

Rockhopper's friend Yarr was the first red puffle to be discovered! He was floating on a raft and Rockhopper took him on board.

Yellow Shirt

It's yellow. And it's a shirt. There's really not much more to say. The important thing is it begins with the letter Y.

Yeti

I know yetis aren't real, but the other day I hit my head p aying Sled Racing and I think I saw one! Or maybe it was just Herbert?

Zebra Trails

If you are one of those penguins that can't decide which colour hair to get, the Zebra Trails is for you. Just beware of lions.

Zeus the Moose

If you want to pretend to be the famous penguin Businessmoose, you need this head item!

Zombie Mask

Do people think you're lazy? Just wear this mask and then you have a good excuse. Plus it scares away crabs.
